Section 1. Requested License Type / Fees

- a. There are three different methods for becoming licensed in the District of Columbia. These methods include:

Examination (E)	Successful completion of the NCLEX-RN or NCLEX-PN examination on the first attempt and meet other requirements.
Re-examination (R)	Successful completion of the NCLEX-RN or NCLEX-PN examination on the second or a later attempt and meet other requirements.
Endorsement (N)	Hold a license in good standing in another state or territory of the United States with standards which are comparable to DC's requirements.

RN – Registered Nurse
- c. Four Advanced Registered Nurse (ARN) specialty certifications are available:

Nurse Anesthetist (CRNA) Nurse Midwife (CNM) Nurse Practitioner (NP) Clinical Nurse Specialist (CS)	NOTE: Advanced Registered Nurse certification requires a registered nurse license. If you do not have a registered nurse license in the District, then you must apply for one at the same time you apply for certification as an Advanced Registered Nurse.
--------------------------------------------------------------------------------------------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------
- d. Mark the box next to the license type and origin (method) for which you are applying.
- e. Should you need to obtain additional copies of your license to comply with laws and regulations pertaining to displaying your license at each office where you conduct business, you may order up to five (5) duplicate licenses (for \$20 fee each, etc.). Mark the “duplicate license” box and indicate the number of duplicates needed on the line provided. Indicate the total amount due for duplicates on the line to the right.

You may pay the application and license fee by a single check or money order. It is recommended that you pay by check, so that you have ready proof of payment. Checks or money orders should be made payable to DC Treasurer and submitted with your application packet. Do NOT send cash. Please print your name on your check, if it is not pre-printed. The application portion of the fee is NOT refundable. The license fee portion of the payment is refundable in the event of final denial of a license or a request from an applicant to close the application request. It will take approximately six (6) weeks after denial or withdrawal for you to receive your refund. For your information, the application and license fee portions of each application method are listed below:
